

Dear Vivek,

Congratulations! You have been admitted for graduate study at the University of Utah for Fall 2016 in the program of Entertain Arts and Engg MAE.

Shortly you will receive your Official Letter of Acceptance from the University Office of Admissions through postal mail. Please watch for this letter as it will give you important information regarding your status as a graduate student and instructions on how to register.

Now that you have been admitted, your next step is to request an official transcript be sent from all colleges/universities you have previously attended. When you applied for admission, you were asked to upload a copy of all of your transcripts. These copies are considered unofficial. An official transcript is defined as a transcript that is sent from your previous school(s) directly to our office. If you are currently enrolled, and your expected degree is not yet posted on your transcript, be sure the transcript is not sent to our office until final grades and degree(s) are posted. If you have already had official transcripts sent to the University Office of Admissions, which include your posted degree(s) and final grades, please disregard this request. You may track the receipt of your official transcripts by going to the University Office of Admissions website at: <http://admissions.utah.edu/track/>.

If you are admitted prior to completion of your most recent degree program, your admission may be canceled if you do not graduate or if your final work is not satisfactory. In addition, your academic program may have admissions conditions you are required to complete. Failure to meet all of these conditions may result in a cancellation of this offer of acceptance.

Failure to provide complete official transcripts by the third week of the Fall 2016 semester will result in a registration hold being placed on your record. You will not be able to register for the next semester until the hold has been lifted.

We are thrilled that you have chosen to attend the University of Utah and hope you find your experience enriching. [Please fill out the enrollment form to accept or decline the above admission decision.](#)

Sincerely,

A handwritten signature in black ink, appearing to read 'Matthew R. Lopez', written in a cursive style.

Matthew R. López
Director of Admissions
